Online Pre-Surgical History Instructions

Welcome to Hazleton Surgery Center. We're very pleased that you and your physician have chosen us to care for you.

To start the pre-surgical assessment process, Hazleton Surgery Center requests that you fill out your medical history online with *One Medical Passport*.

We recommend that you enter your medical history online as soon as your surgery has been scheduled. Once you do this, our Pre-Surgical Assessment nurse will be able to access the information you entered online. This information will assist the nurse in organizing and documenting your complete medical history to prepare for your surgery.

To begin your online Pre-Surgical Assessment,

- 1) Go to our website: www.onemedicalpassport.com
- 2) Accept the Terms of Use and click "**Register**"
- 3) Select the option to create a Medical Passport for a **Medical Facility and Physician**
- 4) Select the state (**PA**), select **Hazleton Surgery Center**
- 5) Complete the registration and medical history screens, click Finish to submit your Medical Passport to the medical facility

Be sure to have the following information available before starting your *Medical Passport*:

- Your health insurance information.
- The names, addresses and phone numbers of your physicians.
- A list of all medications you are taking, their dosage and frequency.
- A list of surgical procedures you have ever had and their approximate dates.

Note: If you are not able to complete your history online, our Preop nurse will call you between 8:00 and 4:00 about a week before your procedure to complete your health history. You will still need to have the above information available when you call. Please allow 20-30 minutes for this call.
